

ADMISSIONS POLICY & PROCEDURES

Haw River Christian Academy has an admissions policy that resembles the application process used in many other private schools and colleges. This enables the school to accurately identify and admit students from families who have clearly expressed convictions similar to the school's philosophy and academic standards regarding the education of children.

The selection and make-up of the school's student body is second only to staff in the impact it has upon the school's mission. The family-like atmosphere that HRCA seeks to foster and currently enjoys is due in great measure to the similarity of biblical convictions and principles taught and lived out in the homes of our students. As the Lord blesses us with growth and change, we want to do all that we can to maintain and cultivate this culture.

A student's academic achievements will be considered in the application process, but only for grade placement, not as the primary determining factor for acceptance. Again, we seek to enroll those students who, because of their own family's priorities, will most benefit from what HRCA can offer to them.

The basic enrollment process for all students at HRCA is as follows:

New Student Admissions

If you are new to classical Christian education, please read through the materials provided in this application packet. For an even better understanding, please refer to our recommended reading list on the school's web site. These resources will provide an excellent basis for an appreciation of HRCA's philosophy and academic standards, plus a better groundwork for discussion in the family interview and working with our staff as we partner in the education of your child(ren).

Corporation

HRCA is a non-profit, non-denominational, church independent school. We are governed by a Board of Directors and a Corporation. Anyone may join the school, even without enrolled students. However, membership is a prerequisite for families of all enrolled students (new and current). There is an annual fee, due by January 31. Members are encouraged to attend our bi-annual meetings, which include important updates and, on occasion, votes on matters presented by the Board. Longevity of membership is considered when there are wait list situations for student seats.

Open House and Tours

We have two annual Open House events, one in early February and another in late August. We also offer weekly tours. These opportunities allow parents to observe a classroom, talk with staff, and become familiar with the facility, curriculum, and more. Please contact us for the Open House dates or to schedule a personal tour.

We thank you for your interest in HRCA and hope to see you become part of the family!
