

April 18, 2024
15,000 meals
\$22,500

Dear Potential Sponsor,

My school dedicates a whole day for each class (*JK - 12th grade*) to pack meals for the hungry. The meals we package will go somewhere in our nation or around the globe. In the past, we have packed 10-11,000 meals to bless people in Haiti and the Philippines. This year, our school aims to pack 10% more meals to help the food-deprived worldwide and raise 10% more school funds. These school funds help us provide need-based financial aid to our families and support the school's operating budget to provide needed materials for the education of all students. Your gift is tax-deductible.

We will raise money for the food and shipping costs. Rise Against Hunger will supply the ingredients and packaging materials. I will get to do the measuring, mixing, weighing, sealing, labeling, and/or boxing with my classmates, teachers, administrators, and some parents. A bell is rung every time a box is filled!

My school has planned many fun individual, classroom, and school-wide incentives. My class will dress in fun ways, enjoy treats and celebrations. We may even get to make a human sundae out of our Head of School if we meet our fundraising goal or earn a half-day off break from school if we go above and beyond our goals! I will do the food packing work. Will you help support my fundraising goals?

Thank you, HRCA Student
