

GRAB AN ARROW & JOIN THE ARCHERS

**BULLSEYE
CLUB**

**CORPORATE SPONSORSHIP
PROGRAM**

YOU'RE INVITED TO JOIN THE ARCHERS AT THE BULLSEYE

We are the Haw River Christian Academy Archers. In Scripture, children are described as “arrows in the hands of a warrior” (Psalm 127:4). Just as an archer carefully shapes, aims, and releases his arrows, so too do teachers and parents shape, train, and send students into the world for God’s purposes. The Archer embodies this calling to prepare young people to live faithfully and courageously.

Archery also requires discipline, focus, patience, and precision - virtues at the heart of a classical education. Just as an archer fixes his eyes on the target, students are trained to direct their hearts and minds to the True, the Good, and the Beautiful. The archer reminds us education is not aimless, but purposeful and directed to God’s glory.

HRCA is a non-profit school that relies on the charitable support of the families we serve. Each year, a portion of the budget must be met through donated funds from individual families, fundraisers and Corporate Champions, JUST LIKE YOU.

When your business joins the Bullseye Club, you help grow God’s Kingdom by making classical Christian education possible for children in the Pittsboro, Chatham County area. At the same time, your partnership with HRCA gives your business meaningful exposure and the support of a community that values and uplifts one another.
